

Welcome to ParentVUE!

Hello Parents,

San Marcos Unified School District will implement ParentVUE, a component of our Student Information System beginning in the 2020-2021 School Year. This implementation supports our District Focus Area of Student Achievement; Ensure ongoing meaningful and multiple opportunities for parent engagement and community involvement to promote student success.

ParentVUE will provide families a single location to access class information at the beginning of the year, Report Cards, and additional modules over time. Additionally, ParentVUE will be our district-wide system for **Residency Verification** at the start of the school year.

Please use the information attached to activate your ParentVUE account.

Thank you for your support.
