After School Education and Safety
Program (ASES) **In partnership with the
Boys and Girls Club of San Marcos**

*The San Marcos Unified School District
and the Boys and Girls Club of San
Marcos provide a safe and supportive
environment where K-8 students can have
fun and be themselves, have role models
who respect and listen to them, and
provide engaging academic and
recreational activities that challenge and
inspire students to excel.*

*The purpose of the after school Expanded
Learning Program is to provide a safe and
educationally enriching alternative for
students during non-school hours. ASES
programs improve academic achievement
and provide safe
and healthy recreation and prevention
activities for all students in qualified
schools.*

We focus on:
Academic Success
Good Character and Citizenship
Healthy Lifestyles
