

Dear Volunteer:

Thank you for serving as a volunteer in the San Marcos Unified School District! You are making a difference in the lives of our children by giving of your time and talents.

In a continuing effort to provide the safest possible school environment for students, the state passed Assembly Bill 3458 that prevents persons legally required to register as a sex offender from supervising pupils or serving as non-teaching volunteer aides.

Please assist the District in complying with this requirement by completing the information below, and returning it to the school office staff.

The District sincerely appreciates your willingness to help keep our schools safe for our students.

Please feel free to contact me should you have any questions, or need additional information.

Sincerely,

Henry H. Voros
Assistant Superintendent
Human Resources and Development
